Litigation and Appeals

6.10.2019

Vorys Partners Phil Downey, Sheila Nolan Gartland and Mike Settineri will present at the 40th Annual Institute Energy & Mineral Law Foundation on June 10, 2019.

Downey's presentation is titled, "Practical Tips for Deposing and Cross-Examining Expert Witnesses," and will address practice tips for presenting and cross-examining expert witness in litigation involving the energy industries.

Gartland and Settineri's presentation is titled, "If You Build It ... Top Ten Considerations in Energy Projects," and they will present an overview of issues that can arise during a development project and tips for addressing/avoiding such issues.
