How to Remove Defamation, Negative Reviews, and Other Damaging Content from the Internet

9.16.2015

Vorys attorney Jordan Cohen will be presenting a webinar titled “How to Remove Defamation, Negative Reviews, and Other Damaging Content from the Internet,” hosted by Clear Law Institute on June 24, 2015. His webinar will discuss how to remove content from compliant and review websites, embarrassing photos, negative news articles, court documents that appear high in search rankings and de-indexing URLs containing damaging content from search engines.
