Appellate Practice

8.29.2013

The Appellate Strategies and Perspectives CLE series was created to provide attorneys interested in appellate law with practical tips and tools, an analysis of emerging trends and issues in the field, and a judicial viewpoint on the practice. The series, which is co-sponsored by Vorys, Sater, Seymour and Pease LLP and The Ohio State University Moritz College of Law, will include three sessions in 2013, and each will follow a similar format.
