Attorneys Michael Griffaton and Jolie Havens will host a complimentary webinar titled “Dazed and Confused, Part II: What Ohio Employers Need to Know About Cannabis Employment Laws.” This webinar is the second of a series focused on the federal and Ohio marijuana laws.

Across Ohio, the rapidly-shifting legal landscape around cannabis has left employers in all industries unsure of applicable legal obligations, limitations, and potential liability. In this session, they will discuss federal and Ohio employment laws relating to cannabis and practical considerations for Ohio employers, as well as trends seen in other states and changes which may be on the horizon.
