J. Liam Gruz

3.13.2013

Vorys associate Liam Gruz will be presenting at the Akron Bar Association's Health Law Section Meeting on March 13, 2013. His presentation, *HIPAA 2.0: How the Final Rule Will Affect Providers and Business Associates*, will discuss the changes made by HITECH in early 2009 and how they will impact both healthcare providers and their business associates.

Highlights of Mr. Gruz's presentation include:

- The applicability of provisions made directly to business associates
- New business associates contracting requirements
- Expansion of individual rights
- Marketing and fundraising limitations
- Modification of the Breach "harm" standard; and
- Clarification of the Enforcement rule
