Vorys' 2011 Health Care Teleseminar Series includes monthly programs focused on the changing legal and regulatory issues facing the health care industry.

Join Vorys for a complimentary teleseminar, 12:00-1:00 p.m. (Eastern Time).

On March 31, 2011, the Centers for Medicare and Medicaid Services ("CMS") released a notice of public rulemaking for the long awaited proposed regulations to implement the Medicare Shared Savings Program for Accountable Care Organizations ("ACO"). The **proposed ACO regulations** outline criteria for ACO eligibility, governance and management requirements for participation, and conditions for shared savings distributions. This session will provide an overview of the proposed ACO regulations and discuss the potential impact on your organization.
