President Obama signed health reform into law Tuesday, March 23, 2010. To help you adapt, Vorys will be conducting teleseminars covering the scope of this legislation and how it will affect you.

Join us for our teleseminar series to learn more about the new legislation, how it will affect employer benefit plans, how it will affect provider payment arrangements, what you need to do and by when you need to do it.

Our first teleseminar will be April 13 at noon EDT. We will discuss the anticipated timeline for implementation and the things you should be addressing now.

To RSVP or for more information:

Contact Kayla Allen at ksallen@vorys.com.

A dial-in number will be provided before each session.

Future teleseminars on health care reform will be held:
