A team of Vorys lawyers from the real property tax group are hosting a webinar on Thursday, May 5, 2022 at 12:00 P.M. ET about Ohio House Bill 126 and how the new law may affect property owners' and leasing real property owners' pending tax year 2021 and future filings for tax year 2022.

House Bill 126, which was signed by Governor DeWine on April 21, 2022, ushers in the most significant changes to Ohio real property tax valuation contests in decades. This new law imposes new limits on the ability of school boards to participate in decrease cases filed by property owners.
