Vorys Partner Jackie Ford will present, *Lessons Learned from Harvey: Compassionate Compliance in Disaster Response*, to the Association of Corporate Counsel's Houston chapter on August 14, 2018. The presentation will cover various disaster-related issues for employers. This will include how to prepare for a range of disaster-related compliance issues, containing scenarios of leaves of absence, medical issues, FMLA, accommodation of first responders, extended working-from-home scenarios, and compensating employees when a facility is not operational.
