Vorys Partner Allen Rutz will be speaking at the Ohio Concrete Fall Engineering Seminar on November 19, 2019. The title of the presentation is, "What "The Practice of Engineering" Means in 2019." Changing technologies, changing regulatory environments, and changing public perceptions have all impacted what "The Practice of Engineering" means. This presentation examines how courts and government agencies in the US have defined "The Practice of Engineering" as of 2019 and looks at how past trends may predict future impacts.
