Ohio Engineering Law and Ethics

3.29.2016

Vorys Partner Allen Rutz will be a speaker at the Ohio Engineering Law and Ethics Seminar hosted by Half Moon Education on March 29, 2016. His presentation is titled "Law of Engineering Malpractice" and he will review the grounds for professional liability claims, identify who can bring a claim, examine common sources of professional liability claims, review defenses, determine damages and discuss the process of participating in dispute resolution.
