Vorys attorneys Robin Canowitz and Liam Gruzs will be speakers at Ohio Health Information Management Advocacy Day hosted by the Ohio Health Information Management Association on October 5, 2016. Their presentation is titled "All Access: Patient Requests for Medical Records in Ohio" and will analyze recent OCR guidance concerning patient access rights and requests pursuant to a HIPAA authorization, whether and how much providers can charge for records and how this is impacted by the Ohio Supreme Court's recent decision in *Griffith v. Aultman Hospital*.
