3.28.2018

On March 28, 2018 Vorys partner Carey Jordan will co-present the free webinar, *Patent Department of the Future: How to Leverage Technology to Work Smarter, Lower Costs*. Carey Jordan and co-presenter Rod Wittenberg from LexisNexis IP will discuss solutions that will help corporations create the patent department of the future, including:

- Recognizing all elements of the budget
- Aligning business and patenting goals
- Managing counsel expenses
- Considerations of external and internal support
