Mike Oliverio, a partner in the Vorys Pittsburgh office, will host a webinar which will discuss the Pennsylvania Supreme Court's *Gregg v. Ameriprise Financial* decision and its impact on Pennsylvania businesses.

Based on a Pennsylvania Supreme Court decision in February 2021, businesses that sell directly to consumers now face strict liability for any "deceptive" statements they make. This webinar will analyze how the court's decision in *Gregg v. Ameriprise Financial* is likely to impact business in Pennsylvania, with particular focus on the financial sector and professional services.
