2.5.2010

We will discuss current issues and trends that companies will encounter as they prepare for the 2010 proxy and annual report season, including:

- New SEC rules requiring proxy statement disclosure relating to risk oversight, compensation and other corporate governance matters
- "Say on pay" proposals - what to expect in 2010
- The status of proposed proxy access rules
- The status of legislative initiatives to regulate executive compensation
- RiskMetrics corporate governance policy updates for the 2010 proxy season

A question and answer period will immediately follow our discussion.
