3.23.2012

Vorys partner Reggie Jackson is speaking at the Southeastern Bankruptcy Law Institute Annual Conference on March 23.

Mr. Jackson's presentation, *The Burdens of Technology: Attorney Duties in Electronic the Electronic Age*, will discuss:

- A lawyer's duties related to the awareness and preservation of a client's electronically stored information
- The distinction between reasonably accessible and inaccessible electronically stored information
- How to ethically handle inadvertently produced documents and accidental emails

Mr. Jackson will also present, *Interest Rates Under Till: After Eight Years, What Does Till Tell Us?*, on March 24.
