2.25.2013

Vorys partners Tony Ehler, Dave Froling and Fred Mills will discuss the tax proposal in Governor Kasich's recently released budget bill, House Bill 59, on February 25, in a teleseminar hosted by The Ohio Council of Retail Merchants.

The presentation will provide participants an opportunity to learn how the entire tax proposal could impact a business—from income tax savings to sales tax and, where applicable, the added cost of sales tax collection and remittance.
