Technology Transactions

11.9.2011

Join Vorys partners Craig Auge and Anker Bell as they present at an upcoming TechColumbus talk, The 8 Gotcha's of Technology Contracting – A Lawyer's Perspective, on November 9.

Mr. Auge and Mr. Bell will discuss:

- Scope creep and billing surprises
- Paying for *non*-performance
- Not making specs legally enforceable
- Getting lost in the “Bermuda Triangle” of warranties, indemnities, and liability limitations
- Allowing intellectual property and confidential information to escape
- Inadequately covering data security standards
- Missing important exit strategies
- Using the wrong form of agreement for the deal

Time: 7:45 a.m. - 8:45 a.m

TechColumbus
1275 Kinnear Road
Columbus, Ohio 43212

For more information, please click [here](#).

Program is complimentary, but registration is required. Please email ksallen@vorys.com by November 7.
