Using Economic Development Financing Tools in Our Current Economy

Related Professionals

Scott J. Ziance

1.12.2011

Vorys partner Scott Ziance will be participating in the Central Ohio NAIOP's seminar, 'Using Economic Development Financing Tools in Our Current Economy,' on January 12. The panel presentation will discuss several economic development financing tools that can be utilized when financing commercial real estate projects in 2011. Tools to be discussed include;

- Historic preservation tax credits
- Common bond fund financing
- Tax increment financing
- New markets tax credits
