10.8.2021

The Vorys Virtual Benefits Conference was designed and developed specifically for in-house benefits professionals. During this webinar series, the Vorys benefits team will provide updates and valuable insights regarding a variety of benefits-related topics. Session topics include: vaccine incentives/surcharges and wellness programs, new group health mandates, claims and appeals and executive compensation.

If you have already registered for one of the live events, we will ask that you re-register for the virtual event using the link below.
