Litigation and Appeals

2.28.2013

Vorys partner Marcel Duhamel will be presenting *What Every Legal Department Needs to Know about Litigation Hold* on February 28, 2012. The event is sponsored by AccessData and will discuss pointers about maintaining a successful litigation hold program, insights into how your legal hold program interplays with your preservation requirements and how it can inform your case and e-discovery strategy at the earliest stages of litigation.
