EVENT | 5.8.2024

Vorys eControl and Precision eControl will host the Control 4 Growth (C4G) Symposium on May 8 in Salt Lake City, Utah. This free, half-day event is an opportunity to learn about the new C4G framework, a powerful approach to help brands master channel control in a complex omnichannel digital landscape.

During the C4G symposium, gain insights on how to navigate digital marketplace disruptions, protect a brand's online presence, and connect with industry leaders to share strategies for success. The C4G Symposium is a must-attend for those looking to adapt, innovate and accelerate their growth strategies.
