Vorys eCommerce litigators Daren Garcia, Martha Motley, John Landolfi and George Stevens will host a webinar in which they will discuss frequently seen types of eCommerce-related litigation that companies face today and best practices for successfully navigating these issues. The growth of eCommerce has resulted in a rapid increase in litigation of claims arising from the online sales channel. In this webinar, a team of Vorys' most experienced eCommerce litigators will share best practices for successfully litigating unauthorized sales/gray market, website data breaches, counterfeit products and more.
