EVENT | 4.8.2026

Vorys partners George Stevens and Aaron Williams will host a webinar titled "Guarding Your Competitive Edge: How to Keep Trade Secrets from Walking Out the Door" on April 8 at noon EST.

The webinar will focus on trade secret litigation reaching record highs and offer practical guidance on identifying and protecting your company's most valuable information, explore effective strategies to prevent confidential data from leaving with employees, and provide best practices for trade secret governance.
