SPEAKING ENGAGEMENT | 10.29.2025

Ilya Batikov, a partner in the Vorys Columbus office and a member of the firm's energy, finance and real estate group, will present a webinar titled "Navigating Royalty Disputes in the Appalachian Basin: A Legal Update" on October 29 at 11:00 A.M. on behalf of the Ohio Oil & Gas Association.

The presentation will examine recent court decisions affecting producer royalty obligations in the Appalachian Basin. Further discussion will highlight rulings addressing market enhancement clause leases, post-production cost allocation with overriding royalty interests and the application of West Virginia's Wellman/Tawney doctrine.
