#### SPEAKING ENGAGEMENT | 11.12.2025

Chaz Billington, a partner in the Vorys labor and employment group and Nate Jedinak, the firm's director of software, data and innovation, will present a webinar titled "AI in Labor and Employment" on November 12 from noon to 12:45 EST. The presenters will examine the growing role of AI in hiring and workforce management, discuss major litigation trends across the country and address critical concerns around data privacy and confidentiality. They will also review how AI-powered decision-making is transforming various business functions, boosting efficiency, deepening analysis and helping to control costs. There will be a brief question-and-answer segment.
