Marcel Duhamel, a partner in the Vorys Cleveland office, will present a webinar titled "Recent Developments in Privacy Litigation." He will discuss an in-depth overview and insightful discussion on the privacy world through the lens of litigation and enforcement actions. He also will discuss recent FTC enforcement actions under COPPA, shareholder derivative claims post-data breaches and cyberattacks, and examine developments in standing and risk of future harm. He explained insights into litigation under the Video Privacy Protection Act in the digital context, recent Illinois Biometric Information Privacy Act cases, and the latest "Live Chat" and "Key Stroke" wiretapping claims in California. Marcel will analyze these critical topics, offering practical guidance to successfully navigate the complexities of privacy litigation.
