SPEAKING ENGAGEMENT | 12.9.2025

Vorys partners Alycia Broz and Mitch Tobias will present a webinar as part of the Vorys University: 2025 Professional Conduct & Ethics Webinar Series on December 9 at from noon to 1:00 P.M. EST.

The title of the presentation is "The Ethical Use of GAI Technology in the Practice of Law." Among the topics discussed will be the ethical implications of using generative AI in legal practices and court rules and decisions that focus on the use of generative AI in litigation.

Each webinar in the Vorys University: 2025 Professional Conduct & Ethics Webinar Series is pending one hour of ethics/professional conduct CLE credit in California, Kentucky, Ohio, Pennsylvania and Texas. They are also pending one hour of New Lawyer Training credit in Ohio and on-demand credit in Ohio.
