Vorys' COVID-19 Response Plan

First, we are focused on the health, safety and well-being of our employees, our families, our clients and our neighbors. We will maintain a high level of service to each of our clients during these turbulent times. We formed a COVID-19 task force that continually evaluates and updates the measures we are taking to ensure the safety of our employees, clients, contractors, and others with whom we are interacting.

We have also activated our Business Continuity Plan. The purpose of this Plan is to ensure uninterrupted service to our clients. All of our attorneys and professionals have the ability to work remotely, as necessary. Vorys attorneys work as a team to provide seamless service, backing each other up as needed. We are strongly committed to meeting the needs of our clients, and we have the capability of meeting those needs – even in challenging times – thanks to our technology, our training and preparation, and our attorneys and professionals who are dedicated to helping our clients however possible.

As always, you should feel free to contact your Vorys relationship attorneys with any questions. If you have inquires specific to our firm's COVID-19 task force or Business Continuity Plan, please contact [Travis Wahl](#).
