Marcel Duhamel, a partner in the Vorys Cleveland office, recently earned his Certified Information Privacy Manager (CIPM), joining the ranks of more than 13,000 professionals worldwide who currently hold the International Association of Privacy Professionals (IAPP) certifications. The CIPM is the world's first and sole certification in privacy program management. In addition to his CIPM certification, Duhamel is also a Certified Information Privacy Professional (CIPP/US).

Duhamel focuses his practice on privacy, consumer protection, complex litigation, class actions, patent and intellectual property litigation and appellate practice. He also counsels clients with respect to privacy practices and allegations of data breach. In addition, Duhamel has defended class and individual actions raising data privacy, consumer protection, FCRA, TCPA and FDCPA claims. He has advised clients with respect to GDPR compliance and their privacy policies and has counseled clients through the Privacy Shield certification process.
