

Vorys Celebrates Pride Month Across Offices

NEWS | 6.24.2019

A record-setting group of Vorys attorneys, paralegals, staff, friends and family members marched in the 2019 pride parades held in Cleveland, Columbus, Cincinnati and Houston. More than 320 members from "Team Vorys" donned shirts with a rainbow-colored courthouse and carried festive balloons, signs and swag. This was the second year that Vorys participated in the Stonewall Columbus Pride Parade and the first year for participation in the Cleveland, Cincinnati and Houston pride celebrations. Members of the Akron office will also participate in the Akron pride parade in August.

We're proud to be one the Human Rights Campaign's "2019 Best Place to Work for LGBTQ Equality." Pride Month offered us a wonderful opportunity to further showcase our support for the LGBT+ community.
