Vorys, Sater, Seymour and Pease LLP is pleased to announce the launch of Vorys on Labor (<http://www.vorysonlabor.com>), a blog focusing on union/management law issues of interest to labor professionals in both the public and private sectors. Vorys on Labor will keep these professionals informed about recent developments at the National Labor Relations Board, the Ohio State Employment Relations Board and in Congress.

“We’re very excited to offer our clients this additional resource,” said Nelson Cary, partner in the labor and employment group and editor of the blog. “We look forward to using Vorys on Labor to provide our clients and prospective clients with news, commentary and critical information about important legal developments involving the EFCA, union membership, union organizing and the latest labor law issues.”
