Julie Brown, Vorys' director of practice technology, received the 2023 Influential Women in Legal Technology award, given by the International Legal Technology Association (ILTA). ILTA has given this award annually since 2020 to outstanding women leaders in the global legal technology community. The 2023 award was presented to 16 women from across the globe.

Brown has worked in legal technology for more than 30 years. She manages Vorys' practice technology department, which assists with a wide variety of technology related matters from data analytics and reporting, to eDiscovery services and practice-specific technologies.

Brown is a co-chair on ILTA's Volunteer Council and served as the Conference Co-Chair for ILTACon 2019-2020. In 2020, Julie received ILTA's Contributor of the Year Award and in 2011, Julie received ILTA's Distinguished Peer Award for Litigation and Practice Support. She is a certified E-Discovery Specialist (CEDS) and is certified in ViewPoint, Sanction, Law 5.0, the Information Technology Infrastructure Library (ITIL), Lean Six Sigma and Prosci's Change Management.
