NEWS | 8.17.2023

Vorys is pleased to announce that 115 Vorys attorneys were included on the 2024 *Best Lawyers in America* list and 44 Vorys attorneys were named to *The Best Lawyers: Ones to Watch® in America* list. Vorys' lawyers were included in all three of the individual award categories: *Best Lawyers*, "Lawyer of the Year" and *Best Lawyers: Ones to Watch® in America*.

Since its inception in 1983, *Best Lawyers* has become universally regarded as the definitive guide to legal excellence. Because *Best Lawyers* is based on an exhaustive peer-review survey in which more than 39,000 leading attorneys cast almost 3.1 million votes on the legal abilities of other lawyers in their practice areas, and because lawyers are not required or allowed to pay a fee to be listed, inclusion in *Best Lawyers* is considered a singular honor. *Ones to Watch* honors are recognitions given to attorneys who are earlier in their careers for outstanding professional excellence in private practice in the United States. The process for being named to this list is the same peer-review process as being named to *The Best Lawyers in America®* list.
