

Vorys Named to Law360's 2023 Pulse Leaderboard

11.29.2023

Vorys has been named to the 2023 Law360 Pulse Leaderboard, which ranks law firms for a combination of the work they do, the reputation they cultivate and the commitment they demonstrate to being a socially responsible law firm.

In the release of the list, the editors from Law360 indicated that “a great law firm is defined not by a single factor, but by a combination — of the work the firm does, the reputation it garners within the legal sphere, and the dedication it demonstrates toward ethical and socially responsible business practices. The firms on our Law360 Pulse Leaderboard are leading the way in these three areas.”

To develop the Pulse Leaderboard list, Law360 ranks firms in several different areas. The ranking includes a combination of scores from Law360's Pulse Social Impact Leaders survey and Law360's Prestige Leaders survey. It also includes an evaluation of each firm's involvement in high-profile litigation and transaction work. The 100 top scoring law firms list are named to the annual Pulse Leaderboard list.
