

Vorys Receives ISO IEC 27001 Certification

NEWS | 2.29.2024

Vorys announced that the firm has received the ISO 27001:2022 Certification for our information security management system. The ISO 27001 certification is one of the most recognized information security standards in the world.

As part of a strenuous audit, Vorys demonstrated that the firm's infrastructure was designed to keep information assets, including client information, secure against the risks of loss, damage or any other threat. The firm's ISO 27001 certification, including scope statement, can be viewed [here](#).
