The Vorys Pittsburgh office opened in 2013 and has grown steadily since, welcoming accomplished lawyers with significant experience in a broad range of areas, including complex litigation, intellectual property, brand protection and e-commerce, oil and gas, labor and employment, retail, banking, finance and real estate matters. Our office is located in the heart of downtown in close proximity to the courts, cultural attractions, and the homes of the Pittsburgh Steelers, the Pittsburgh Penguins and the Pittsburgh Pirates.

In April 2018, Vorys continued the firm's strategic expansion in Pittsburgh, strengthening our intellectual property practice with the addition of a group of attorneys formerly of a highly respected Pittsburgh IP boutique.

Our Pittsburgh team is active in a number of local professional and civic associations, including the Allegheny County Bar Association, the Pittsburgh Intellectual Property Law Association, Allegheny Cleanways, Commercial Real Estate Women (CREW) Pittsburgh, American Chemical Society Pittsburgh Section, Pittsburgh Civic Light Opera, Pittsburgh Cultural Trust and Literacy Pittsburgh.
