AUTHORED ARTICLE | August 2012

National Association of Independent Schools Advocate

Jackie Ford, a partner in the Vorys Columbus and Houston offices, authored an article for the National Association of Independent Schools *Advocate*. In the article, Ford discuss two electronic challenges commonly faced by independent schools: the use of electronic background checks for employees and the policing student misconduct online. Her article recommends best practices for navigating the tension between the slow-moving law and fast-moving technology.
