

Anatomy of an IP License

Clear Law Institute Webinar
10.29.15

PRACTICE AREAS

Intellectual Property

Randy Friedberg, Partner in the Intellectual Property Group, presents "Anatomy of an IP License," discussing the key provisions that should be included in every license agreement.

Using real world examples, the course provides:

- Guidance on proper drafting techniques
- Boilerplate sections that should always be included in an agreement
- Checklists and forms to ensure that essential parts of a license agreement are covered.
