

Finance Forum: Cybersecurity in Financial Transactions

Philadelphia, PA
11.12.15

Please join us for another installment of Finance Forum on November 12, 2015 in our Philadelphia office. Cyber Law and Data Protection lawyers Jay Shapiro and Josh Mooney will discuss cybersecurity in financial transactions.

Panelists will address:

- Cybersecurity best practices
- Identifying risks in an internet age
- Balancing the tension between efficiency and vulnerability

Professionals involved in commercial transactions will not want to miss this program!

PRACTICE AREAS

Cyber Law and Data Protection

Finance

Financial Restructuring and Bankruptcy

Real Estate
