

Perspectives on Climate Change and the Insurance Industry

CPCU Society 2021 Virtual Reinsurance, Excess & Surplus Line Symposium
3.12.21

Counsel Adam Berardi joins a panel addressing the insurance industry's responsibility to support, proactively and passively, the improvement of the global climate via financial investment, community action and underwriting selection, among many actions. This includes insuring against climate change and how traditional insurers and start-up companies are implementing innovative technologies, products and services to address climate risks.

Speakers:

- Adam M. Berardi, White and Williams LLP
- Benjamin Harper, Chief Sustainability Officer for Zurich North America
- Gregory Kelder, SVP and Head of Claims for the Environmental Division at Great American and Secretary on the Board of Directors for the Global Water Alliance
