### KEY ATTORNEYS

Richard A. Sawin, Jr.

Rick Sawin, Partner in the Litigation Department, will present "AI: Artificial Intelligence in Claims: What You're Learning and What You're Risking," at the upcoming ClaimsXchange Education X Napa Conference in Napa Valley, CA, on March 10, 2026 from 2:15 - 3:15 PM.

This presentation will discuss the way artificial intelligence is reshaping claims handling, and the potential risks that come with this innovation. Attendees will examine current and emerging cases, learn how to navigate AI-related legal pitfalls, and leave with practical strategies for using AI responsibly in everyday claims discussions.

Rick will join Andy Redick, the Senior Manager Risk Management for Union Pacific Railroad to discuss this topic. To learn more about the conference, [click here](#).
