To mark International Women's Day 2024, the TMA NOW UK and Europe Committees are hosting a virtual panel and networking session, entitled "Inspiring Women in Turnaround and Restructuring"

Heidi Sorvino, Managing Partner, New York City Office, Co-Chair, Financial Restructuring and Bankruptcy Practice, will speak on the virtual panel. Speakers include Joanne Rumley - TMA UK President, Head of Restructuring and Insolvency Foot Anstey LLP, Helen Martin - Senior Associate, Stevens & Bolton LLP & TMA Europe Committee, Milly Chow - Partner, Blake, Cassels & Graydon LLP and Donatella Cungi, Partner, Studio Toffoletto Dottori Commercialisti.

The panel session will be centered around the theme of celebrating women in turnaround and restructuring. Following the session, there will be breakout rooms for groups to hold discussion for women at all stages in their careers. Attendees will come away from the event with new connections from different jurisdictions, who they can follow up with at the TMA Global Symposium and European Annual Conference in London, happening in June 2024.
