

Subrogation Lawyers Get Real Life Fire Training

10.27.21

A group of Subrogation lawyers visited the Bergenfield Fire Training Academy to gain valuable insight into fire sprinkler system operations, fire spread, fire flow paths, fire suppression, heat transfer, and fire scene overhaul. Training was led by Jerry Naylis from Technical Fire Services, Inc.

The hands-on program demonstrates the Subrogation Department's commitment to provide its lawyers with practical learning opportunities outside the courtroom.

Lawyers included Chris Konzelmann (also Captain, Moorestown Fire Department), Matt Ferrie, Gus Sara, Lian Skaf, Ryan Bennett, Melissa Kenney, Jonathan Millis, and Blaise Richards.
